

# Art Class in Celebration of Earth Day!

Hosted by Claire Boyce

Thursday April 16, 2026

1:30 to 3:30 p.m.

At  
Bienvenidos Outreach, Inc.

Garden Center  
1511 Fifth St.  
Santa Fe, NM 87505

Please call  
505-505-986-0583 to reserve your space.

Come celebrate Earth Day the creative way! We'll be creating recycled planters, or "Plant Cozys" for your beautiful spring plants!

Participants will have the option to select a plant of their own, either a vegetable or a flower, and then design and decorate the plant's container with cloth, yarn, and a fantastic assortment of spring accessories. Kids, teens, and adults are all welcome but kids under 5 should have a parent or guardian's help.

This class is a safe space for anyone who wants to be creative. Creativity requires vulnerability, and we ask that all attendees be respectful, kind, and participate in cultivating a safe, welcoming, and encouraging environments for all.

Sponsored by Bienvenidos Outreach, Inc. Contact Alice Montoya for more information regarding other upcoming Events and Special projects at 505-303-4910. Thank you.
